Strategy Key						
1 Every child achieves a level of development in their early years for the best start in life	6 Everyone can safely walk or cycle in their local area regardless of age or ability					
2 Every child is included in their education and can access their local school	7 Everyone has equitable access to care and support shaped around them					
3 Every child and young person has a successful transition to adulthood	8 Everyone has the level of meaningful social contact that they want					
4 Everyone has access to a home that supports their health	9 Everyone lives the end of their life with dignity in the place of their choice					
5 Everyone has a fulfilling occupation and the resources to support their needs	HI Overall Health Inequalities Goal
