## 1. PROPOSAL

1.1 Local Area Committees (LACs) were established by Full Council in May 2021. Their Terms of Reference are set out in Part 3 of the Council's Constitution and include:

- To agree a Community Plan setting priorities for the area of the committee, monitor delivery of that plan and keep it under review; and
- To make decisions relating to funding as delegated from time to time by the Council to fit with the priorities set out in the Community Plan and following engagement with the community.

Each LAC was allocated an initial budget of £100,000 under an executive decision by the Leader of the Council on 17th August 2021. This money was to be spent in line with the Community Plan. As the Community Plan was not finalised until late in the 2021/22 financial year very little of this budget was spent across the LACs and it was carried forward to the current financial year.

To enable decisions to be taken quickly and to respond to emerging issues, at the meeting of the North East LAC on 23<sup>rd</sup> September 2021, a decision was made which authorises the Community Services Manager to make decisions on expenditure from any budgets allocated to the Local Area Committee provided that:

- The decision is taken in consultation with the Local Area Committee Chair;
- Spending is in line with any specific purposes of the allocated budget;
- The decision may not approve expenditure of more than £5,000, and
- A report detailing the delegated spending decisions taken by the Community Services Manager is presented to the next Local Area Committee meeting.

1.2 The North East Sheffield Local Area Committee (LAC) developed a Community Plan through consultation with residents, community groups and other stakeholders in North East Sheffield. At a meeting of the North East LAC held on 22<sup>nd</sup> March 2022, the LAC approved the Community Plan.

On 26<sup>th</sup> July 2022 the LAC was informed of proposed anticipated expenditure and set out budget allocations to address priorities and gave further authority to the Community Services Manager to make decisions on that expenditure.

At its meeting on 17<sup>th</sup> January 2023 the LAC agreed that a new Cost of Living priority be added to the Community Plan and that the contingency budget of £20,000 previously identified be allocated to this priority and used to fund grants for Welcoming Places or other activities which address this priority.

An overview and details of priorities set out in the Community Plan showing expenditure and any proposed committed spend that has been agreed is given below.

## Priority 1: Business, Employment & Skills

**Action:** Improve and support new and existing businesses, support and improve digital inclusion and skills for employment for residents

**Overview:** This theme priority focuses improving local businesses and supporting residents across the North East LAC to develop the right skills to thrive. The approaches used will be working with local businesses to identify their needs and further support required, build a solid network foundation of businesses forums, identify where the need for digital inclusion is and how skills can be enhanced and developed for employment.

- Providing small grants to organisations to help them become a Welcoming Place.

**2. HOW DOES THIS DECISION CONTRIBUTE?**

2.1 Local Area Committees directly support the Communities and Neighbourhoods and Our Council commitments in the 'Our Sheffield: One Year Plan' but to be effective they need to have the capability to respond quickly to emerging local issues.

**3. HAS THERE BEEN ANY CONSULTATION?**

3.1 The Community Plan has been developed through community consultation that has comprised of an online survey through the Council's Citizenspace platform; a paper-based survey for those less digitally enabled; engagement activity with representative organisations and in-person meetings.

Partner organisations and Council departments that have been identified as offering potential solutions to some of the issues identified have also been consulted, to establish whether suggestions can be realistically implemented.

**4. RISK ANALYSIS AND IMPLICATIONS OF THE DECISION**

4.1 Equality of Opportunity Implications

4.1.1 Decisions need to consider the requirements of the Public Sector Equality Duty contained in Section 149 of the Equality Act 2010.

This is the duty to have due regard to the need to:

- Eliminate discrimination, harassment, victimisation and any other conduct that is prohibited by or under the Act;
- Advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it;
- Foster good relations between persons who share a relevant protected characteristic and persons who do not share it.

The Equality Act 2010 identifies the following groups as a protected characteristic: age; disability; gender reassignment; marriage and civil partnership; pregnancy and maternity; race; religion or belief; sex and sexual orientation.

The overall impact of this decision is likely to be positive and not disproportionate from an equality, diversity, and inclusion perspective. In developing a Community Plan, local communities have been given the opportunity for a greater say in local decision making for services which impact their daily lives.

The devolution of responsibilities will improve inclusion for local people and the work of the Sheffield Equality Partnership will support and enhance the approach from a citywide and underserved communities' perspective.

However, in order to ensure this approach takes into account people who share protected characteristics under the Public Sector Duties the Local Area Committee Community Plan will be supported by appropriate equality monitoring of budget.

An Equality Impact Assessment (EIA 916) was previously carried out in respect of the establishment of Local Area Committees.

#### 4.2 Financial and Commercial Implications

- 4.2.1 This report concerns expenditure of the LAC's approved budget of £100,000. This budget must not be exceeded.

Procurement of supplies and/or services and the award of grant aid will be carried out in line with the Council's Contracts, Standing Orders and Financial Regulations.

#### 4.3 Legal Implications

- 4.3.1 The LAC must operate in accordance with its Terms of Reference, approved as part of the Council's updated Constitution, reflecting the committee system of governance, by Full Council at its Annual Meeting on 18<sup>th</sup> May 2022. In accordance with the provisions of section 101 of the Local Government Act 1972 the Constitution provides that a Committee may delegate to a Council Officer.

### 5. **ALTERNATIVE OPTIONS CONSIDERED**

- 5.1 Other lower priority actions in the Community Plan were considered to profile anticipated spending against, but the deliverable actions were not considered achievable within the remaining month of 2022/23. This would also limit the ability for community organisations and groups to be involved to deliver projects and activities across the breadth of the key priorities identified.

### 6. **REASONS FOR RECOMMENDATIONS**

- 6.1 The North East LAC is asked to note the use of funding as per previous decisions of September 2021, July 2022 and January 2023 in line with the North East LAC community plan & priorities.
