			<p>Minor amendment as a consequence of the establishment of the Finance Committee as a full committee, not a sub-committee.</p> <p><u>2. Part 3.3 – Matters Delegated to Committees</u></p> <ul style="list-style-type: none"> • The general reservations to all Policy Committees include the power to set up Task & Finish groups for policy development; • Terms of Reference of Strategy & Resources Policy Committee have been amended to confirm that substitutes are permitted, reflecting the corresponding amendment to Council Procedure Rule 33(d); • The Education, Children and Families Policy Committee Terms of Reference reflect the role of the Chair as the designated Lead Member for Children’s Services; • The Terms of Reference of the relevant committees ensure that Policy Committees developing regulatory policies must form working groups with members of the relevant regulatory committee to inform the process; • Finance Committee is established as a full committee; • Parent Policy Committees, rather than Full Council, may establish specified sub-committees (and no others) - the sub-committees themselves are not changed. <p><u>Part 4 - Council Procedure Rules</u></p> <ul style="list-style-type: none"> • CPRs 5.2 and 25.3 confirm the appointment of sub-committees by committee, not Full Council, as noted above. • CPRs 10 and 12 are amended to set word limits for motions and amendments to motions; • CPR 16 is amended to clarify the purpose of Members’ Questions, the capacity in which a Committee Chair is expected to respond (for consistency, this is also stated

			<p>at CPR 15 in respect of public questions), and that questions to a Chair from a Member of the same Committee are not permitted at Full Council, but provision is made for questions to the Chair from a Committee Member at a meeting of that committee;</p> <ul style="list-style-type: none"> • CPR 18.3 is amended to confirm that voting in parts is permitted; • CPR 25.2 is amended to reflect the changes to the right of Policy Committees to set up Task & Finish Groups noted above; • CPR 33(d) is removed (and CPR 33(e) renumbered) to now permit substitutes at Strategy and Resources Policy Committee. In respect of this amendment, the full recommendation of the Governance Committee, as approved at the Council’s Annual Meeting, was “Substitutes should be permitted at S&R. Where the committee member is Chair of a Policy Committee the substitute must have sufficient knowledge of their committee’s work, and political proportionality must be maintained”. There is no comparable knowledge requirement for substitute members of any other Policy Committee and it places an expectation on that substitute greater than on any other member of the Committee who is not a Policy Committee Chair. The requirement is therefore disproportionate and, having consulted the Members of the Governance Committee, the Monitoring Officer has recommended that it be omitted from the amendment. <p><u>Part 5 - Protocol for Member/Officer Relations</u></p> <ul style="list-style-type: none"> • The way Members and Officers should work together on Committee briefings is clarified;

			<ul style="list-style-type: none"> • Development of work programmes and what this involves is clarified; • Sections 6 and 7 are amended to reflect the changes on Task & Finish Groups in Part 3.3 and the Council Procedure Rules noted above. <p><u>Part 5 – Chair Job Share Protocol</u></p> <ul style="list-style-type: none"> • Clarification on attendance at briefings; • To reflect that sub-committees may not have co-chairing arrangements
