The trustees present their report together with the financial statements of the charity for the year ended 31 March 2023. The financial statements comply with the charity's trust deed, applicable law and the requirements of the Statement of Recommended Practice, 'Accounting and Reporting by Charities' Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) effective on 1 January 2019 (Updated second edition – October 19).

DESCRIPTION OF CHARITY'S TRUSTS AND OBJECTS

The charity's governing documents is a conveyance dated 15 October 1885.

The objects of the charity are public walks and leisure gardens.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Endcliffe Park is a charity and the sole Trustee is Sheffield City Council. The Charity Trustee Sub Committee is a standing sub committee of the Strategy and Resources Policy Committee. It has been established to take all decisions of the Council, including but not limited to disposal of and other dealings with charitable land.

Management of the park is the responsibility of the Councils' Parks and Countryside service. Management and administrative decisions which are not decisions of the Council as Trustee, may be made, in accordance with the Leaders' Scheme of Delegation, by the Executive Director of Neighbourhood Services, the Director of Parks, Leisure and Libraries, or the head of Parks and Countryside service.

PUBLIC BENEFIT

The Trustees have complied with the duty in s. 4 of the Charities Act 2011 to have due regard to public benefit guidance published by the Charity Commission. Details of how the charity has carried out its activities for the public benefit are given in the section below.

ACTIVITIES AND ACHIEVEMENTS

During 2022/2023, the City Council has continued to meet and work with the friends of the Porter Valley, who are a local community group and a registered charity with the declared aim of preserving and enhancing the natural and historic characteristics of the Porter Valley of which Endcliffe Park forms an important part, discussing various issues alongside planning tasks for regular workdays.

Friends of Porter Valley, the City Council's Ranger Service, park staff and corporate volunteer groups, worked together on several working days to weed, prune and undertake other general parks tasks throughout the valley.

The weekly 5km Parkrun normally attracts over 700 runners per week.

The City Council introduced pay & display parking continued to be a successful additional to the park, as well as installing additional memorial benches throughout the site. A new herbaceous plant bed was added to the existing flower beds.

Sections of the park were rewilded/ naturalised to help increase biodiversity and this will continue to be an ongoing process.

PLANS FOR FUTURE PERIODS

We are developing a masterplan for long term park improvement's, utilising the parks buildings and looking at income generation. We hope to develop the entrance planting plans including new perennial planting to Rustlings Road and Hunters Bar entrances.

FINANCIAL REVIEW AND FUNDING

Restricted Funds - Net expenditure was £19,546 (21/22: net expenditure of £11,372) comprising grants received from Sheffield City Council of £6,185 (21/22: £14,359). Depreciation of £25,731 (2122: £25,731) was also charged to the restricted fund.

The reduction in grant was due to less capital expenditure this year. The majority of which was spent on pathways and car park development.

Endowment Fund – The balance on Net income on endowment funds was £nil (21/22: £nil).

Unrestricted funds - Net income of £56 (21/22: £2). Income from charitable activities was £113,433 (21/22: £74,968) with expenditure of £124,047 (21/22: £153,622). The deficit was funded by the grant from Sheffield City Council of £9,422 (21/22: £74,209).

The income from charitable activities has increased by £38,465 as a result of increased rents from concessions, and the recognition of more income from Events in the park.

At 31 March 2023 the charity had total funds of £805,295 (21/22: £824,785). £802,777 (21/22: £822,323) of these funds are tied up in fixed assets. The remainder being endowment and designated funds of £2,518 (21/22: £2,462) held as investments.

There was investment income of £56 (21/22: £2). This has been transferred to the Designated Fund which now totals £138 and is available to spend in accordance with the Charity's Trusts & Objectives.

RESERVES POLICY

As the charity is managed and funded by the Council no specific charity reserves are deemed to be necessary.

Annual revenue expenditure is generally greater than income and the variance is born by the Council and not carried forward into the next financial year.

This charity has specific monies invested in the Council's internal investment fund. Interest is received half yearly on the monies invested. The original investment forms the endowment fund and any interest earned is unrestricted income. This income has been earmarked by the trustees for use at the site for one-off projects rather than on-going costs and has therefore been shown as a designated fund.

RISK MANAGEMENT

The charity is dependent for its day-to-day management upon Sheffield City Council. It is therefore considered expedient and cost effective for the charity to adopt the Council's risk management policy and strategy, which it considers is a crucial part of the service planning process in highlighting key risks and how they affect the Council's ability to deliver its service and how they will be managed. The Council has incorporated a formal approach to risk management in its day-to-day operations and has developed a toolkit to allow managers to identify risk, which would prevent them from achieving their objectives and to provide information and guidance on how these risks can be managed. The Council operates an Internal Insurance Account covering a variety of risks.

Trustees' responsibilities statement

The trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

TRUSTEES

Sheffield City Council adopted a Committee system in May 2022. The current Trustees are listed on Pg 1.

INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEES OF Endcliffe Park

I report to the trustees on my examination of the financial statements of the charity for the year ended 31 March 2023.

Responsibilities and basis of report

As the trustees of the charity (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 (the 2006 Act).

Having satisfied myself that the financial statements of the charity are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's financial statements carried out under section 145 of the Charities Act 2011 (the 2011 Act). In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act;
- 2. the financial statements do not accord with those records; or
- 3. the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
- 4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

1. Accounting Polices

Endcliffe Park is a registered charity in England. The address of the registered office is given in the charity information on page 1 of these financial statements. The nature of the charity's operations and principal activities are to provide public parks and leisure walks.

The charity constitutes a public benefit entity as defined by FRS 102. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) effective on 1 January 2019 (Updated second edition – October 19), the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), the Charities Act 2011 and UK Generally Accepted Practice as it applies from 1 January 2015.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following the Accounting and Reporting Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

The financial statements are prepared on a going concern basis under the historical cost convention, modified to include certain items at fair value. The financial statements are presented in sterling which is the functional currency of the charity and rounded to the nearest \pounds .

The principal accounting policies adopted in the preparation of the financial statements are as follows:

1.1 Fixed assets

Endcliffe Park is classified as a Community Asset. The trustees policy is to value Community Assets at £Nil.

Land and Buildings were carried in the accounts at deemed cost as at date of transition to SORP (FRS 102).

Other Plant and Equipment are carried at cost.

Expenditure on fixed assets is capitalised, provided that the fixed asset yields benefit to the charity and the services it provides are for a period of more than one year.

Assets have been reviewed for any impairment loss in respect of consumption of economic benefit.

1.2 Depreciation

Depreciation is provided on fixed assets at rates calculated to write off the cost of the assets over their expected useful lives as follows:

- Land and previously revalued buildings are not depreciated.
- Park buildings have been depreciated on a straight line basis over 40 years, commencing on the transfer from assets under construction.
- Plant and equipment have been depreciated on a straight line basis over 10 years.
- Depreciation is not provided on land or assets under construction.
- The Trustees perform annual impairment reviews in accordance with the requirements of FRS 102 to ensure that the carrying value is not greater than the recoverable amount.

1.3 Investments

Fund balances are invested internally with Sheffield City Council. Investments are held at market value.

1.4 Fund accounting

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

Designated funds comprise of unrestricted funds that have been set aside by the trustees for specific purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by the donors or which have been raised by the charity for particular purposes. The aim and use of each restricted fund is set out in the notes to the financial statements.

Endowment funds represent those assets which must be held permanently by the charity, principally investments. Income arising on the endowment fund can be used in accordance with the objects of the charity and is included as unrestricted income. Any capital gains or losses arising on the investments form part of the fund.

1.5 Income

Income from donations and grants, including capital grants, is included in income when it is probable that the income will be received, and is allocated to the appropriate fund.

Investment income is included when receivable.

Rental, events, and similar income is included when the event or function has taken place.

The cost of running the park is funded by Sheffield City Council. Annual revenue expenditure is generally greater than income and any variance is borne by the Council by way of a grant to the charity.

1.6 Expenditure

Expenditure is included in the Statement of Financial Activities on an accruals basis, net of any VAT, which can be recovered as Sheffield City Council is the sole trustee and therefore has special status under s33 VAT Act 1994.

The main exception to this treatment is payments for such items as gas and electricity are charged at the date of the meter reading rather than being apportioned between years. This policy is applied consistently each year.

Expenditure has been allocated to the activities to which it is directly attributable.

Cost of raising funds

The cost of generating any external funding, such as grant applications and events, is attributable to the time of Sheffield City Council officers who work on a range of projects including the charity. As such it is not possible to accurately apportion the cost of this to the charity so no charge is included in the accounts.

Charitable activities

Charitable activities are set out within the charitable deeds and represent the costs associated with the running and maintenance of the park.

Governance costs

Independent examination costs and finance officer costs are charged to the charity. The Council currently absorbs the cost of other officers' time. This policy is kept under review.

Staff costs

The staff who work for the charity are employed by Sheffield City Council, and are subject to the terms and conditions of that organisation. The costs of such staff are recharged to the charity. Full disclosure of the relevant staff costs and numbers is provided in the notes to these financial statements.

Pensions

City Council employees may participate in the Local Government Superannuation Scheme, which provides members with defined benefits related to pay and service. The City Council makes payments for this group of employees to the South Yorkshire Pensions Authority, which administers pension arrangements on behalf of Sheffield City Council and the other local authorities in the South Yorkshire area. The City Council bears any deficit or surplus on the scheme and does not charge this to the charity.

1.7 Debtors and creditors receivable / payable within one year

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in expenditure.

1.8 Financial instruments

The charity only has financial assets and liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

1.9 Going concern

The financial statements have been prepared on a going concern basis as the trustees believe that no material uncertainties exist. The trustees have considered the level of funds held and the expected level of income and expenditure for 12 months from authorising these financial statements. The budgeted income and expenditure is sufficient with the level of reserves for the charity to be able to continue as a going concern.
