

Appendix A: Self-assessment form

This self-assessment form should be completed by the complaints officer and it must be reviewed and approved by the landlord's governing body at least annually.

Once approved, landlords must publish the self-assessment as part of the annual complaints performance and service improvement report on their website. The governing body's response to the report must be published alongside this.

Landlords are required to complete the self-assessment in full and support all statements with evidence, with additional commentary as necessary.

We recognise that there may be a small number of circumstances where landlords are unable to meet the requirements, for example, if they do not have a website. In these circumstances, we expect landlords to deliver the intentions of the Code in an alternative way, for example by publishing information in a public area so that it is easily accessible.

Please note:

Information about how we handle complaints is published on our website here:

[Complain about the Council Housing Service | Sheffield City Council](#)

On this website page are two important documents which are referred to throughout this self-assessment. These are our Corporate Complaints Handling Policy ("Policy") and our Corporate Complaints Handling Procedure ("Procedure").

Specific sections within these documents are referred to below as evidence of our compliance with the Code. These sections are numbered – eg "Policy 3.1. Please use the above website link if you wish to view any of these sections.

If there is any other information mentioned in this document which you would like to know more about or see examples of, please feel free to email us and we will provide any additional information that we can: GetInvolved@sheffield.gov.uk
