Development Committee

Date: 20th February 2013

Subject: **Work Programme and Cabinet Forward Plan**

The Committee's draft work programme is attached for consideration.

The Committee is asked to identify any further issues for inclusion in the work programme as agenda items, or in depth task and finish reviews.

To ensure that information coming to the Committee meets requirements, Members are requested to identify any specific approaches, lines of enquiry, witnesses etc that would assist the scrutiny process for items on the work programme.

The latest version of the Cabinet Forward Plan is also attached. Consideration of issues at an early stage in the development process gives scrutiny an opportunity to make recommendations to decision makers and maximises scrutiny's influence. The Committee is therefore requested to identify any issues from the Forward Plan for inclusion on a future agenda.

Recommendations:

That the Committee:

- Considers the work programme and Cabinet Forward Plan
- Identifies further issues for inclusion on the work programme
