

PART A - Initial Impact Assessment

Proposal Name: All-Age Mental and Emotional Health and Wellbeing Strategy - Update

EIA ID: 2611

EIA Author: Avi Derei (NCC)

Proposal Outline: We are providing an update to Adult Health and Social Care Policy Committee on the Sheffield All-Age Mental and Emotional Health and Wellbeing Strategy. The original EIA has been completed in Feb 23, as this is an all age, city wide strategy, and there has not been a major population change in this period, there is no substantial changes to this EIA. The strategy will set in motion partnership working in a range of areas that will be positive. However, specific plans are not included in this strategy as it is high-level, and so it will be difficult to give specific impacts on protected characteristics. Full EIAs will be carried out by those organisations who are delivering elements of the strategy. The strategy workplan 23/24

Proposal Type: Non-Budget

Year Of Proposal: 24/25

Lead Director for proposal: Alexis Chappell

Service Area: People

EIA Start Date: 20/02/2024

People

EIA is cross portfolio:

No

EIA is joint with another organisation:

Yes

Intergrated Care Board

Overview of Impact

Overview Summery:

Sheffield's All-Age Mental and Emotional Health and Wellbeing Strategy sets the scene for supporting Sheffield people – from young to old – with their mental and emotional health and wellbeing. It is positive, ambitious, and focussed on delivering change in partnership. Good mental health is key for everything, and poor mental health is impacting on the life chances of children, young people and adults in the city. We know that we need to act now to support our children, young people and their families. This strategy was sponsored by the Mental Health, Learning Disabilities, Dementia and Autism (MHLDDA) Board, which sits under the Health and Care Partnership structures in Sheffield, part of South Yorkshire's Integrated Care System. The strategy is underpinned by an annually updated delivery plan which will have clear objectives and outcomes anticipated. This will be a partnership document, and a range of organisations will continue together to the delivery of the strategy's objectives. The MHLDDA Board oversees this process.

Impacted characteristics:

- Age
- Health
- Disability
- Pregnancy/Maternity
- Gender Reassignment
- Partners
- Carers
- Voluntary/Community & Faith Sectors
- Race

Consultation and other engagement

Cumulative Impact

Does the proposal have a cumulative impact:

Yes

This report provides an update in relation to activity underway to deliver the All-Age Emotional, Mental Health and Wellbeing Strategy. This strategy has been several years in development. Many people helped develop this strategy between 2019-22, and key activities included: • Co-producing the approach to developing the strategy • Hosting a consultation launch event • Holding discussions with a range of service users, groups and partners, including with children and young people
