

## PART A - Initial Impact Assessment

**Proposal Name:** Housing & Repairs Performance Report

**EIA ID:** 2802

**EIA Author:** Louise Cassin

**Approval Status:** Approved

---

**Proposal Outline:** The Housing Policy Committee's remit includes responsibility for regular monitoring of data including performance information and financial information. This includes monitoring the performance for both housing repairs and maintenance services and housing (public sector, private sector, and related functions) services. The Housing and Repairs performance report provides the Committee with an overview of housing and repairs performance for a range of services within the remit of the Committee. The Housing Policy Committee are presented with this performance information on a quarterly basis.

---

**Proposal Type:** Non-Budget

---

**Year Of Proposal:** 24/25

No

## Overview of Impact

Overview Summary:

There are no direct equality implications arising from this report. However, if there are any equality implications arising from the Council's response to any of the areas highlighted within the report, individual Equality Impact Assessments will be undertaken as and when needed.

---

Impacted characteristics:

## Consultation and other engagement

## Cumulative Impact

Does the proposal have a cumulative

**impact:**

We are committed to transparency about our performance. We regularly share performance information for our tenants through both our tenant newsletter and on Facebook. We have recently set up several new tenant-led groups such as: Tenant Voices Matter Panel, High Rise Panel, Communications and Tenant Satisfaction Panel, Homes Panel. These groups give tenants the opportunity to continually scrutinise our performance in specific areas, which helps us to gather informed feedback and better understand areas for improvement.
