In our audit report for the year ended 31 March 2020 issued on 30 April 2021 we reported that, in our opinion, in all significant respects, Sheffield City Council had put in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources for the year ending 31 March 2020.

#### Certificate

In our report dated 30 April 2021, we explained that we could not formally conclude the audit on that date until we had completed the work necessary to issue our assurance statement in respect of the authority's Whole of Government Accounts consolidation pack. We have now completed this work.

No matters have come to our attention since that date that would have a material impact on the financial statements on which we gave an unqualified opinion and value for money conclusion.

We certify that we have completed the audit of the accounts of Sheffield City Council in accordance with the requirements of the Local Audit and Accountability Act 2014 and the Code of Audit Practice issued by the National Audit Office.
